

MTI International Session Statistics

Number of presentations: 34

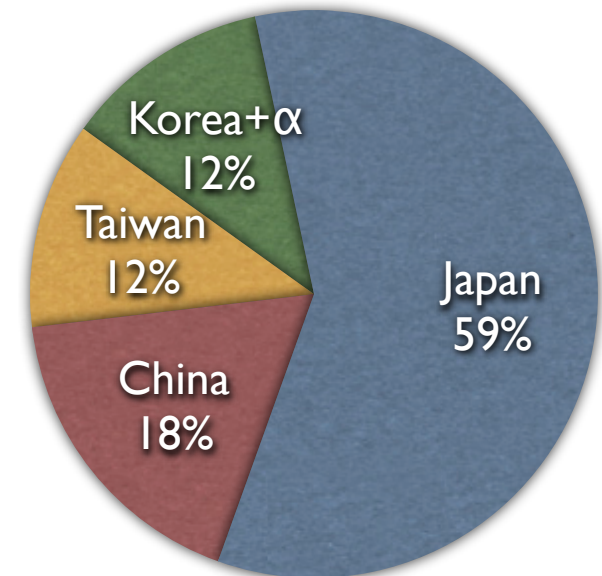

Typewise

Fieldwise

Nationwise

1. Good total number and balance among types
2. Too few presentations on mesosphere
3. Foreign researchers (~40%). No one from India.

Critics & Advices Wanted

Should we continue next year?

How to improve?

- Title

Current: “MTI coupling in Asian sector”
Should we delete “asian sector”?

- Field coverage

How to get more talks on mesosphere?

- Participants

How to get more talks from PhD students and indian scientists (need travel support)?

- Balance with 大氣圈 • 電離圈 session

Is a balance necessary? If so, how to keep?
